## Coming in 2024!

### 2024 IAGM Missions Conference

August 7 - 11

Finger Lakes Christian Fellowship, 83 Auburn Road, Seneca Falls, NY

## MESSAGE FROM THE PRESIDENT

Dear Friends,

"No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven" (Matthew 5:15-16).

The 2023 IAGM international conference was held in Tacoma, Washington. This was the theme verse for the conference.

There has always been darkness in the world, which is still under the sway and powerful influence of the wicked one (1 Jn 5:19). But I think we've all seen in various places across the globe, darkness, expanding its reach, while mankind plunges deeper into wickedness on both a personal and national level.

More than ever, God needs his lamps to shine in the places where he puts them. Through your prayers and generous support, you have been the oil in many of those lamps.

One of the biggest threats to those lamps shining is when a servant of God begins to think that his or her work doesn't matter. Or when they begin to think that they are all alone in their endeavor.

What we can do to encourage and help them is to help our missionaries all over the world understand how important they are to us all and how their faith in God and loyalty to His plan is inspiring.

We watch what they do and see how they touch lives. It is humbles us, and encourages us to live our lives and faith right where we are - right where God has placed His lamps. Your generosity not only helps them with their work but is a tangible sign of companionship and fellowship with them. It proves they're not alone in what they do.

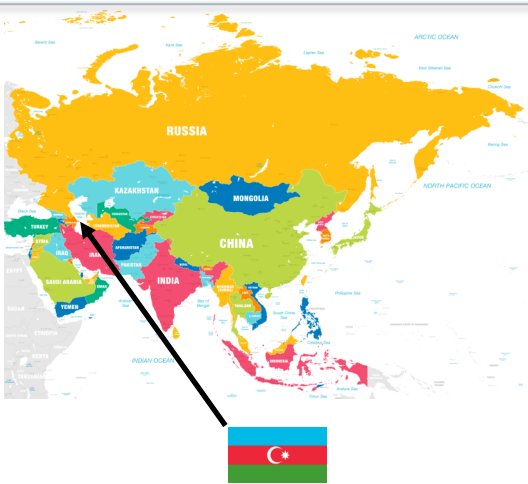

Your prayers and giving have mattered! In this report you will get a glimpse at the fruit of your love and generosity.

I have come to realize after 30 years of ministry, that I may never get to see much of any impact my work may have had. Much of what we produce for Him is not visibly measurable. The true fruit of a faithful servant of God is the depth of love and faith that grows in those they serve. Sometimes your fruit is invisible for a while. One day it will be made VERY visible. (1 Cor 3:13) For now, we want you all to know how special you are to us and how loved you are by God.

In Him Forever,

Pastor Jerry Graziano  
President and Chairman, IAGM

# AZERBAIJAN BAKU

Fuad and Tanya

Fuad evangelizing

Baku along the Caspian Sea

Fuad and Tanya

In 2023, IAGM welcomed Fuad and Tanya (last names withheld) who minister in the city of Baku, Azerbaijan.

When the Soviet Union collapsed in the early 1990s, Azerbaijan, a former satellite country adjacent to Russia on the Caspian Sea, was blessed with Christian missionaries who brought the Good News to the region. During a church service in 1992, Fuad and Tanya received Christ as their personal Savior.

Since that time, Fuad has been actively involved with the church, fervently studying the Bible, leading music, and speaking in church services. Over the years, he has become one of the local indigenous leaders with the ability to present the Gospel in his native Azerbaijani language.

Today, Fuad is a church planter with a vision to develop new churches, raise up new disciples and develop Bible College courses in the Azerbaijani language. There is a hunger for the Word in Azerbaijan. Fuad and Tanya go to different city parks in Baku on Mondays and Saturdays to soul-win. The couple reports that people are open and responsive to the gospel. The people return to ask questions and want to acquire Bibles so as to learn more.

Please pray for this couple's vision to reach men and women with the gospel in Azerbaijan. If you would like to support Fuad and Tanya, go to [www.IAGM.org](http://www.IAGM.org), click on the Donate button and select 'Fuad Baku'.

# BELIZE HOPKINS

Marc and Toni Mueller

Toni and Marc Mueller

Marc and Toni Mueller became IAGM missionaries in 2023. This couple has been faithfully serving Christ for many years in 7 different countries as evangelists, disciple markers and teachers. The couple is currently serving Him as missionaries in Southern Belize. Their primary focus is on the indigenous Mayan Indians of that country. The Muellers help local, established churches by offering training to pastors and church leaders, disciple church members and assisting in the establishment of Sunday school classes for children and teens. Their previous experience in leadership training in East China contributes to their current ability to assist churches in Belize.

If you are interested in helping Marc and Toni in their work in training Christians and witnessing to the Mayan Indians in Belize, go to [IAGM.org](http://IAGM.org) and give today.

# BRAZIL BELO HORIZONTE

Roberto Waisman

Joana and Roberto Waisman

Roberto Waisman is pastor of Grace Church in the Calafate neighborhood of Belo Horizonte, Brazil. The fellowship consists of approximately 130 people whose hearts are set on carrying out God's will in their community. The church has an active children's, youth, teen, men's, women's and couples ministries as well as Bible studies where they promote fellowship, spiritual growth, and encouragement.

The church ministers to the Calafate neighborhood through various community outreaches including the Skilled Hands Project, which offers community members sewing and crafting workshops where the Word of God is also presented. The church also has a program called, Safe Community, which connects local police and their families with members of Grace Church.

Roberto and his wife, Joana, have a special place in their hearts for serving God by taking care of families. The Waismans work together to counsel and disciple couples in troubled marriages who are seeking restoration of their relationships.

If you are interested in reaching the lost in Brazil, go to [IAGM.org](http://IAGM.org) and offer your support to Pastor Roberto Waisman today.

# CAMBODIA PHNOM PENH

Joseph and Makara Keo

Joseph and Makara  
are now counselors

Heading northeast on a medical missions trip

Pastor Joseph and Makara Keo continue to share the Good News of Jesus Christ in a nation where less than 1% of the population is Christian. It is here that the couple is committed to teaching others about Christ through Living Grace Ministries.

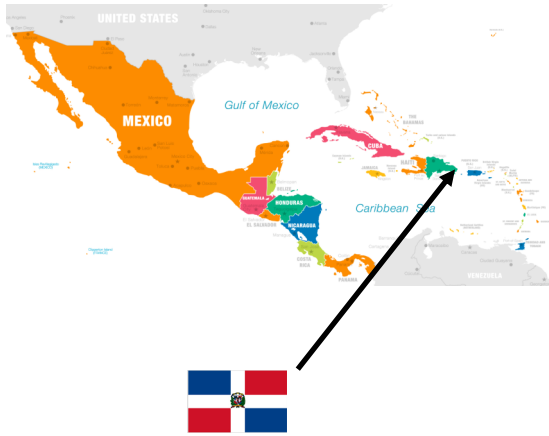

One aspect of Living Grace Ministries is to provide housing in dormitories for those studying at their Bible Institute. As of September, 14 people were living in the church-run dormitories. This housing ministry is important because the students would otherwise be living in Buddhist temples out of necessity. Living in the dormitories fulfills their physical need for shelter while ministering to the students' spiritual needs.

From June through November, Joseph and Makara traveled from village to village in three different Cambodian provinces. They focused on sharing the gospel and providing people with food packs. 120 families in total received food packs and heard the good news!

An exciting event took place in 2023 for Joseph and Makara. After five years of study, the couple passed exams and became church family counselors! They now provide counselling services to couples, premarital teens and people who have experience trauma. As Joseph says, "We are called to serve."

Help Joseph and Makara to serve! Please give today at [IAGM.org](http://IAGM.org).

# DOMINICAN REPUBLIC PUNTA CANA

Emanuel and Liz Cepeda

The Cepeda family

Christmas fun

IAGM missionaries, Pastor Emanuel and Liz Cepeda, have been busy sharing the Good News of Jesus Christ in the Dominican Republic.

They recently started holding meetings for men and another for women once a month. In those meetings, unchurched people attend and receive the message of the Finished Work of Christ.

In 2023, the couple started a weekly Bible study on Thursdays at the pastoral home where they are teaching the word of God to His disciples. A second Bible study takes place on Fridays at the home of a church member. The Friday Bible study helps unbelievers to learn more about God.

The couple recently reported that more than 50 people attended their church's Christmas service, many of whom were new to the church. Two of those families, 7 people total, have stayed and have professed Christ to be their Lord and Savior!

The Cepedas continue to offer Bible Training Centre for Pastors (BTCP) courses. They expect the second BTCP class, which consists of eight students, to graduate in graduation with 8 students on February 2024 in Santo Domingo!

Go to [IAAGM.org](http://IAAGM.org) to give. Help the Cepedas as they minister to the lost.

# ECUADOR SALINAS

Gary and Nora Smith

Port at Salinas, Ecuador

Gary and Nora Smith

The newest couple to join as IAGM missionaries is Pastor Gary and Nora Smith. The Smiths are currently preparing to move to Salinas, Ecuador in May 2024. Gary will be joining the staff of a ministry called "Church on the Beach" (COTB) where he will serve as a pastor / missionary.

The Smiths have a heart for South America and have a long history of missionary work there. From 1995 to 2006, the couple spent three years in Ecuador and nine years in Chile. They returned to the U.S. in 2006 and have remained active in ministering to Spanish-speaking people. For the past several years, Gary has served as an instructor at the Instituto de Teología de America Latina in Baltimore, where he trained Spanish-speaking pastors and servants. Gary and Nora also remained engaged in Latina-American missions and repeatedly made short-term trips to Ecuador with youth groups.

When Gary and Nora return to Ecuador later this year, the couple will serve at COTB, a bilingual church of 150-200 regular attendees. They will begin a transition phase which will ultimately lead to Gary becoming the lead pastor of COTB after the current pastor retires.

Please consider supporting Gary and Nora Smith as they continue their ministry to the people of Ecuador. Go to [IAGM.org](http://IAGM.org) to contribute today.

# GHANA TEMA

Josephus Hallie

Pastor Josephus with his daughter, Dora

Above: New school building in Yendanyili  
Left top: Village church in Bugu, Northern  
Region of Ghana  
Left bottom: Meizon Grace church

Pastor Josephus Hallie is involved in several ministries in the West African nation of Ghana. He maintains a busy schedule as he serves others through a his family, church administration, church planting and as a seminary student. He also serves as the African contact for the non-profit organization, Safe Water Ghana. Josephus says that he is thanking God who gives life, health and the opportunity to co-labor with Him.

Josephus reports that the two churches he pastors, New Beginning Community Church and Meizon Grace World Outreach, have for four services per week.

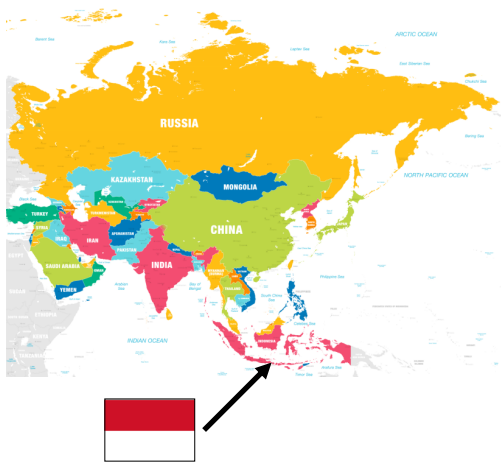

Josephus continues with outreach in Northern Ghana where he and others work in Muslim communities. In one of those communities, Bugu, regular Sunday services were started in early 2023. He and his team are now prayerfully planning the construction of a chapel for worship services on four acres of land given to them by a village chief. Currently, church meetings are held under a tree, which is not practical on rainy days.

The team is also completing a three-classroom building for another village, Yendanyili, where they are sowing seeds of the gospel through visits and the distribution of audio Bibles.

Pray for Pastor Josephus as he is also enrolled at Luther Rice College and Seminary where he is studying religion and ministry through their online educational program. Time constraints and unreliable internet connection can make this pursuit especially challenging.

Please consider financially supporting Pastor Josephus and his work in Ghana. Contributions can be made through the [IAGM.org](http://IAGM.org) website.

# INDONESIA BALI

Wade and Paula Johnson

A service in Bali

Wade and Paula Johnson

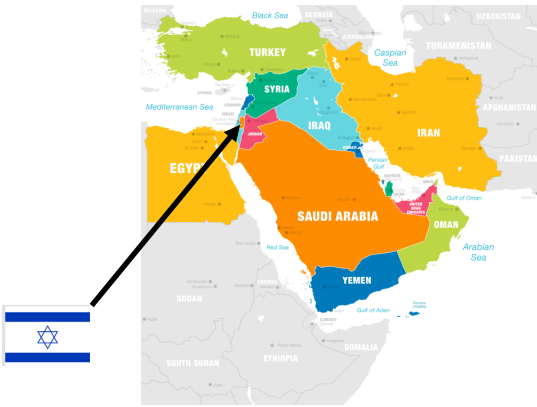

IAGM missionaries, Pastor Wade and Paula Johnson, serve in Bali, Indonesia. The couple report that the people of Bali adhere to a syncretic Hinduism that is steeped and rooted in their ancient tribal and ancestral beliefs. Now, there are more and more Muslims from Java crossing over and settling in West Bali, creating a growing undercurrent of religious tension. This is where the Gospel shines through.

Through the compassionate work of mobile pastoring, audio Bible and food distribution, elderly and orphan care, and spiritual discipleship, people are coming Christ wholeheartedly and at great personal cost. Therefore, support for persecuted new believers has become another vital ministry. The work among the expatriate community and through their international church has been a strategic conduit for much of this work to continue. Please continue to pray for strength and wisdom as God's Word and work goes forth to people of Bali.

If you would like to support the Johnsons in their work, go to [IAGM.org](http://IAGM.org) to donate.

# ISRAEL JERUSALEM

Names withheld

Views in Jerusalem

Please remember the IAGM missionaries in Israel in your prayers. For their safety, the names of these individuals have been withheld.

They report that several attempts have been made to bomb the city of Jerusalem in recent months. A positive consequence does come from the war. It is creating opportunities for God's workers to share the gospel of Jesus Christ as people have questions and concerns about the future of Israel. Pray for all Christians living in Israel. Many need God's encouragement as they live through a time of fear and uncertainty.

If you would like to share in the spread of the Gospel message in Jerusalem, Israel, go to [www.iagm.org](http://www.iagm.org) and make a donation.

# ITALY ROME

Todd and Christie Kincaid

Agape Center's  
new location

Christie with a new convert

Christie and Todd

Rome is a city where refugees and immigrants from Europe, the Middle East and other parts of the world, resettle. Pastor Todd and Christie Kincaid work in Rome providing needed assistance to these migrants. Their work at the Agape Center, a migrant community center, produces opportunities to share the gospel of Jesus Christ, often to people who have never held a Bible or heard the name 'Jesus'.

After eight years in its previous location, the Agape Center relocated in September 2023. This new location is much more centrally positioned in the heart of Rome. The center is about a 10 minute walk from the Colosseum and 20 minutes from the main station in the center of town, and is accessible by two different metro lines. Most importantly, the Agape Center is now also very near the people the Kincaids and their ministry are trying to reach in the most ethnically-diverse, migrant-filled neighborhood in Rome!

The Agape Center has been a very busy place since its move. Classes, evangelism, Bible study, and house church continue a regular basis. Many who come from Muslim backgrounds are being engaged in evangelism and Bible study on a regular basis; conversions and baptisms are the result!

The Kincaid's vision for working among the peoples of Europe who have been dispersed from their homelands has always extended beyond Rome. They are currently following up in discipleship and leadership training with several Muslim-background, new believers in Portugal, Sweden, Iran and Bangladesh, as well as other parts of Italy. Their desire is to see discipleship groups birthed and local assemblies multiplied among the least-reached peoples of the earth through the diaspora population in Europe.

If you would like to support the Kincaids as they evangelize the European migrant population, go to [www.iagm.org](http://www.iagm.org).

Evangelism

Brother Masum

Brother Masum is a team member who serves alongside IAGM Missionaries in Italy, Todd and Christie Kincaid. He has been able to present the gospel to many migrants in Europe since his conversion from Islam several years ago. As a disciple of the Kincaids, he co-labors in Rome and strategically travels to other places in Europe. He works with Moldavians, Romanians, Russians, Bangladeshis, Iranians, Afghanis, and Ukrainians. Several converts who have responded to the gospel message as presented by Masum have been baptized. Masum teaches the Word of God in classes and seminars to help those converts become stable and learn how to reach others for Christ. Due to his own past as a former Muslim, part of his identity must be withheld to protect him and those to whom he evangelizes.

If you would like to help Masum share the message of salvation through Jesus Christ to migrants and refugees in Italy and other parts of Europe, go to [IAGM.org](http://IAGM.org) and give today!

# MEXICO SAN MIGUEL

Jack and Janice Driscoll

Pastor Driscoll presenting a Bible

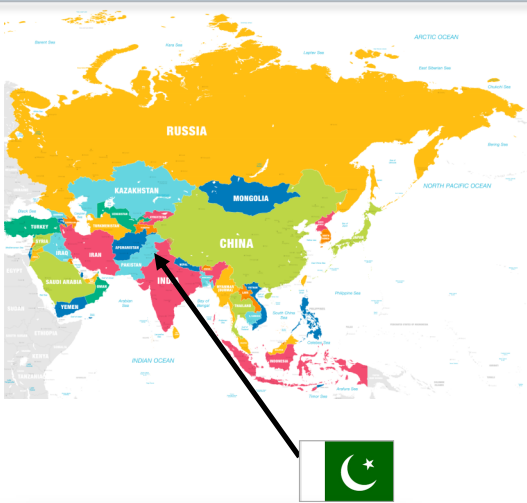

Janice and Jack with the GR Men's Group

Pastor Jack and Janice Driscoll have been ministering to the homeless and addicts of Mexico for over 40 years. In fact, while Pastor Jack was working for New York Telephone, he was invited to go and help minister at the Bowery Mission in lower Manhattan. It was while ministering at the Bowery Mission that Pastor Jack received the Call of God for his life to leave his profession and study the Word of God. The Driscolls at Steven School of the Bible transformed their lives and propel them back into New York to minister at St. Paul's House. That same desire to reach the Least, the Last and the Lost motivates them to continue working in several rehab centers in Mexico.

Through the ministry of MissionMexico, hundreds of Souls have received Jesus Christ. Recently, 8 men were baptized and were given a special presentation of the Fisherman's Bible in Spanish. Currently the ministry is disciplining over 60 men. MissionMexico has initiated a halfway program to assist those who successfully complete the program and are recommended by the director of the center. Those that go on to baptism and discipleship received the Fisherman's Bible. All of the men have their own personal Bible.

Believe on the Lord Jesus Christ ( look unto Jesus alone for life and salvation, to rely upon him, and trust in him; to commit to him the care of your immortal soul unto him, and to expect peace, pardon, righteousness, and eternal life from him; and you shall be saved! Acts 16:31.

Please prayerfully consider supporting Pastor Jack and Janice Driscoll's work in Mexico. You can give at [IAGM.org](http://IAGM.org).

# SLOVAKIA BRATISLAVA

Trevor and Veronika Robinson

Trevor and Veronika Robinson

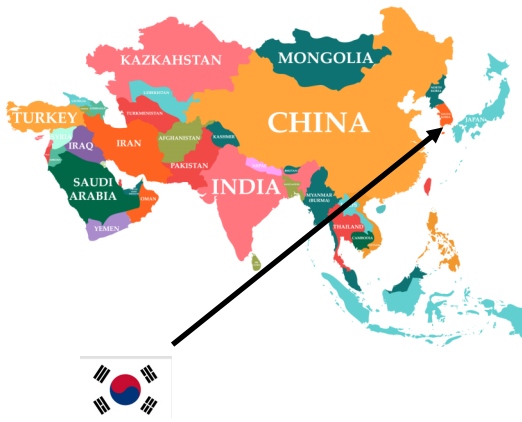

Bratislava, Slovakia

IAGM missionaries, Pastor Trevor and Veronika Robinson, continue to minister to the people of Bratislava, Slovakia. For about eight years, Trevor has been teaching and preaching the Gospel as a religion instructor at a public high school in the city. He currently has around 150 students. Trevor also serves as a pastor to a small church that meets in their home each week. Please pray for fruitfulness in their school and church ministries.

Trevor reports that Slovakia is a nation that is manifesting more radical positions in culture and politics, such as communism, fascism and radical progressivism, in recent years. Trevor is at times disheartened as he witnesses and finds people to be hostile to the gospel; but God is faithful. Even when there is doubt, God is working on hearts. Trevor recently received messages from several former students stating that they had either received Christ or were seeking God, despite their previously radical views against the Christian faith!

Help spread the gospel to Slovakia's youth by supporting the Robinsons. Go to [IAGM.org](http://IAGM.org) to make a contribution.

# SOUTH KOREA JINJU

Scott and Diane Robinson

Scott and Diane Robinson

Pastor Scott and Diane Robinson proclaim the glorious Good News of our Lord Christ Jesus in Jinju, South Korea. In recent correspondence, Pastor Robinson reported the following:

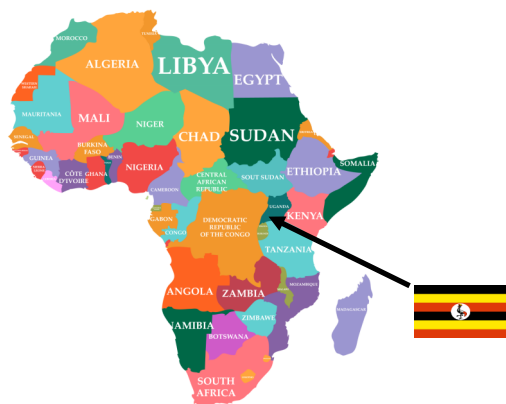

“We had a grace foundation, but always worked hard, were encouraged to be diligent and obedient and we were always part of keeping a strong schedule.

And here in S. Korea it has been no different! Working as the English outreach pastor on a staff with a precious Korean Sr. pastor and his 14 staff pastors in a powerful local assembly it has been my privilege to be a part of the outreach here in Jinju that strives to reflect God's grace in this world.

Daily we share and witness of God through the Korean and English churches with every form of outreach imaginable. With a combined congregation of over 3,000—it is awesome to behold with everything from teaching classes, to evangelistic meetings throughout the city and in to the peninsula, to marriages, baptisms and funerals.

Using our talents and skills the men and women on staff here desire to witness to every part of society whoever calls, and to all those in need.”

If you would like to see the Gospel continue to be shared by the Robinsons in South Korea, please give to their ministry at [IAGM.org](http://IAGM.org).

Emma studies medicine in India

Clothing printed by Emma

Emmanuel "Emma" Ssekyanzi is a remarkable and driven young man. He is a medical student attending Parul University in India as well as a CEO of a foundation called MEDref Healthbridge Solutions. God has stirred Emma's heart to help the people of Africa, with emphasis on his home country of Uganda, by improving health care systematic operations. Emma and his team have create specialized technology which offer solutions to some of Africa's healthcare problems. God has given Emma the unique ability to recognize a problem, find a solution, and implement that solution.

Although not a "traditional" missionary, IAGM recognizes that Emma's unique organizational and leadership abilities were given and are used by God to care for both the physical and spiritual needs of people around the world.

Emma is open about his faith and applies the same strategies to spiritual needs as he does to physical ones. An example of this is when on a trip to a Christian camp in May 2023, Emma recognized that there was a need to spread hope and love. He and a group of four friends decided to start a small clothing business called Divine Prints. They printed more than 400 hoodies in Emma's living room in an effort to share love and hope to the people around them.

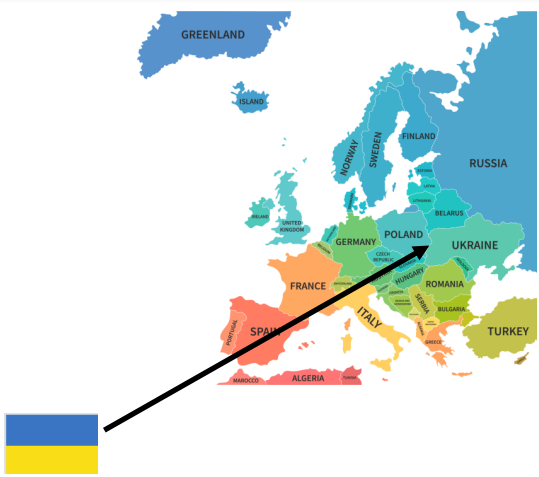

If you are excited about how God is using 21-year old Emma to spread His love and to care for the physical needs of people around the world, go to [IAGM.org](http://IAGM.org) to donate.

## LIFE CHAPLAINS MISSION

Rodger Stenger

Rodger Stenger

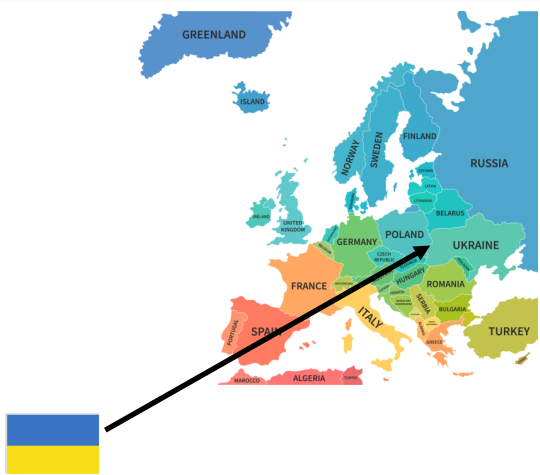

Life Chaplains retreat

Rodger Stenger joined IAGM as a missionary in 2023. He has worked in missions for over 30 years with a special focus on mental and spiritual healthcare. He is currently pursuing his Ph.D. in Psychology and is looking at how the church can help with Post Traumatic Stress Disorder and mental health in Ukraine.

A nonprofit called, Life Chaplains, was established by Rodger and others in 2023. This organization's mission is to help those who have suffered trauma as the result of war. Life Chaplains welcomes church clergy and church workers to retreats in Poland and Ukraine where those traumatized by the Russian-Ukrainian war can rest and experience God's peace. The organization is also creating curriculum which will provide a resource for church workers to share and help others who are suffering from the mental harm caused by war.

Rodger's pursuit of improving mental and emotional health using a spiritual approach is a timely and much needed aid to Christians who are suffering from the emotional scars created by war. Please consider giving to his effort by donating at [IAGM.org](http://IAGM.org).

Nina Ohnivchuk

A family who was fed  
by the Inspiration Centre

Bible lesson for children

2023 was a challenging year for IAGM missionary, Nina Ohnivchuk. God has lifted and sustained her through the various trials that the war has brought to her and her ministry.

When the Russian-Ukrainian War began, most of those who the Inspiration Centre served, including orphans, Roma people, and the poor, left or were removed from Ukraine. Nina's ministry shifted its focus to war refugees. Today, several refugee families live in the Inspiration Centre. Additionally, the ministry helps those in surrounding areas with food and clothing, supports Christian soldiers with supplies, and offers community worship services and Bible studies.

Nina says that although the front lines of the war are some distance away, bombing do occur in her area. Sirens warning of missiles are common. A full night's sleep is rare.

The difficulties of living in a war zone, obtaining needed supplies and serving a great number of people can be challenging, but God is faithful. Nina reports that the war has opened many avenues to witness to unbelievers. People turn to God when trials come. God is at work bringing people to Him in the Ukraine!

When the war began, many pastors left the country or were recruited into the military, leaving Christian leadership positions vacant. The Inspiration Centre, like many other ministries, was left without a pastor. Nina has been fervently praying that God would fill that need by providing a Christian family to help with worship services and other ministries. Recently, her prayer was answered! A Christian family has joined the Inspiration Centre team. Pray for this new family as they acclimate.

If you would like to help Nina as she shares the love of Christ to people in Ukraine, you can give today at [IAGM.org](http://IAGM.org).
